General: Electrical work shall not be started until the application for permit has been filed. All installations shall be in conformance with the electrical code. No work shall be concealed until it has been inspected. When ready for an inspection, call the above number providing as much advanced notice as possible. The inspector will need the job location and permit number.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work.

A permit will be canceled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection.

PLAN REVIEW REQUIRED

What is the rating of the service or feeder in ampere? _____
 What is the building's size in square feet? _____

Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal, except:

1. When the electrical system rating does not exceed 400 amps and the building is not over 3,500 sq² in area.
2. Work completed by a governmental subdivision or state agency costing less than \$15,000.

If plans are required, plans must be submitted before a permit will be issued.

Have plans been submitted? Yes No Not Required

ENERGY REQUEST NO:							

I swear and warrant that all statements made by me in this application are correct to the best of my knowledge and that, in consideration of the granting of this permit, hold the City of Grand Ledge harmless from any and all damages. I agree to construct all work in all respects in compliance with Michigan law and the City of Grand Ledge code. I certify the property owner has authorized the work and has authorized me to make this application as their agent.

Section 23a of the State Construction Code Act of 1972, Act No. 230 of the Public Acts of 1972, being section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subject to civil fines.
