

# M-43 (Saginaw Highway) Resurfacing: Market Place Boulevard to Broadbent Road Skip Patching: Nixon Road to Jenne Street Eaton County

Summer 2022

## What Is Being Done?

The Michigan Department of Transportation (MDOT) will invest about \$520,000 to resurface M-43 (Saginaw Highway) in Eaton County from Market Place Boulevard to Broadbent Road and resurface M-43 in various locations (known as “skip patching”) between Nixon Road and Jenne Street.

This project is funded through MDOT maintenance funds.

## How Will Traffic Be Affected?

Traffic will be maintained throughout the project. Single-lane closures will be in place along M-43 as necessary to complete the work.

## When Will This Be Done?

This project is scheduled for this summer.

## Safety Benefit

This work will provide a smoother driving surface, increasing the safety and integrity of the roadway.
