

Grand Ledge City Council Resolution #49 of 2025

A Resolution to Amend Resolution #20 of 2025, to Adopt the Annual Budget and Appropriations Measure for the Fiscal Year Ending 30 June 2026, and the Tax Levy and Rates, by Amending the Fee Schedule to Adjust the Sewer Rates (Per 1,000 Gallons) for the Period 01 July 2025 to 01 October 2025.

A resolution adopted by the Grand Ledge City Council, at a regular meeting held on Monday, 08 December 2025, in the Council Chambers, City Hall, 310 Greenwood St., Grand Ledge MI 48837, in compliance with the Open Meetings Act, as amended.

Whereas, the City of Grand Ledge, Michigan (“City”) is a municipal corporation organized under the provisions of the Home Rule City Act, Public Act 279 of 1909, as amended, and is governed by the provisions of the Grand Ledge City Charter adopted 07 August 2018, as amended (“Charter”); and

Whereas, the City Council previously adopted Resolution #20 of 2025 to adopt the Annual Budget and Appropriations Measure for the Fiscal Year Ending 30 June 2026, and the Tax Levy and Rates (Resolution #20); and

Whereas, the City Council has determined it would be in the best interests of the City to amend Resolution #20 to adjust the sewer rates per 1,000 gallons from \$11.19 to \$9.86 for the period 01 July 2025 to 01 October 2025; and

Whereas, the City Council has determined it would be in the best interests of the City not to require the payment of the difference in the sewer fees contained in Resolution #20 (\$11.19 per 1,000 gallons) versus the amount actually billed (\$9.86 per 1,000 gallons) for the period 01 July 2025 to 01 October 2025; and

Whereas, except as amended by this resolution, the remaining fees, rates, and charges contained in Resolution #20 shall remain in full force and effect;

Now, Therefore, It Is Resolved:

1. The City hereby amends Resolution #20 to adjust the sewer rates per 1,000 gallons from \$11.19 to \$9.86 for the period 01 July 2025 to 01 October 2025.
2. The City hereby determines not to require the payment of the difference in the sewer fees contained in Resolution #20 (\$11.19 per 1,000 gallons) versus the amount actually invoiced (\$9.86 per 1,000 gallons) for the period 01 July 2025 to 01 October 2025.
3. Except as amended by this resolution, the remaining fees, rates, and charges contained in Resolution #20 shall remain in full force and effect.
4. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are hereby rescinded.
